

THE AVENUE PLAN

The Coalition supports life saving improvements including:

- New traffic signals
- ADA curb cuts
- High visibility crosswalks

at four priority intersections:

- 1. Hyperion/Evans
- 2. Hyperion/Scotland
- 3. Hyperion/Delongpre
- 4. Hyperion/Fountain

Hyperion Street Safety Coalition

opportunity to connect to a neighborhood park when 9-acre Rowena Reservoir opens to the public

CRAFTE

ISSUES & OPPORTUNITIES Hyperion Street Safety Coalition

LEGEND

Retired bus stop/line

Entrance

ADA curb cut

Priority intersection

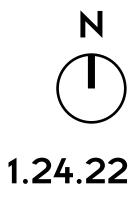

Priority ADA hazard

linking existing bike lanes on Griffith Park Blvd and

Potential sidewalk extension Existing curbside parking Yellow curb Red curb

opportunity for safer signalized turns and crossings

opportunity for new street trees to increase urban shade canopy/ encourage walking

> storefront vehicular collisions 🔔

ISSUES & OPPORTUNITIES Hyperion Street Safety Coalition

LEGEND

Retired bus stop/line

Entrance

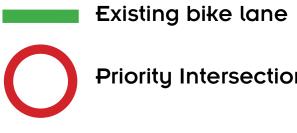

ADA curb cut Priority ADA hazard

Priority intersection

grassy area frequented by kids after school // JERSEY MIKE'S demonstrates need for MAGPIE'S more pocket parks in POSTAL WORKS the neighborhood

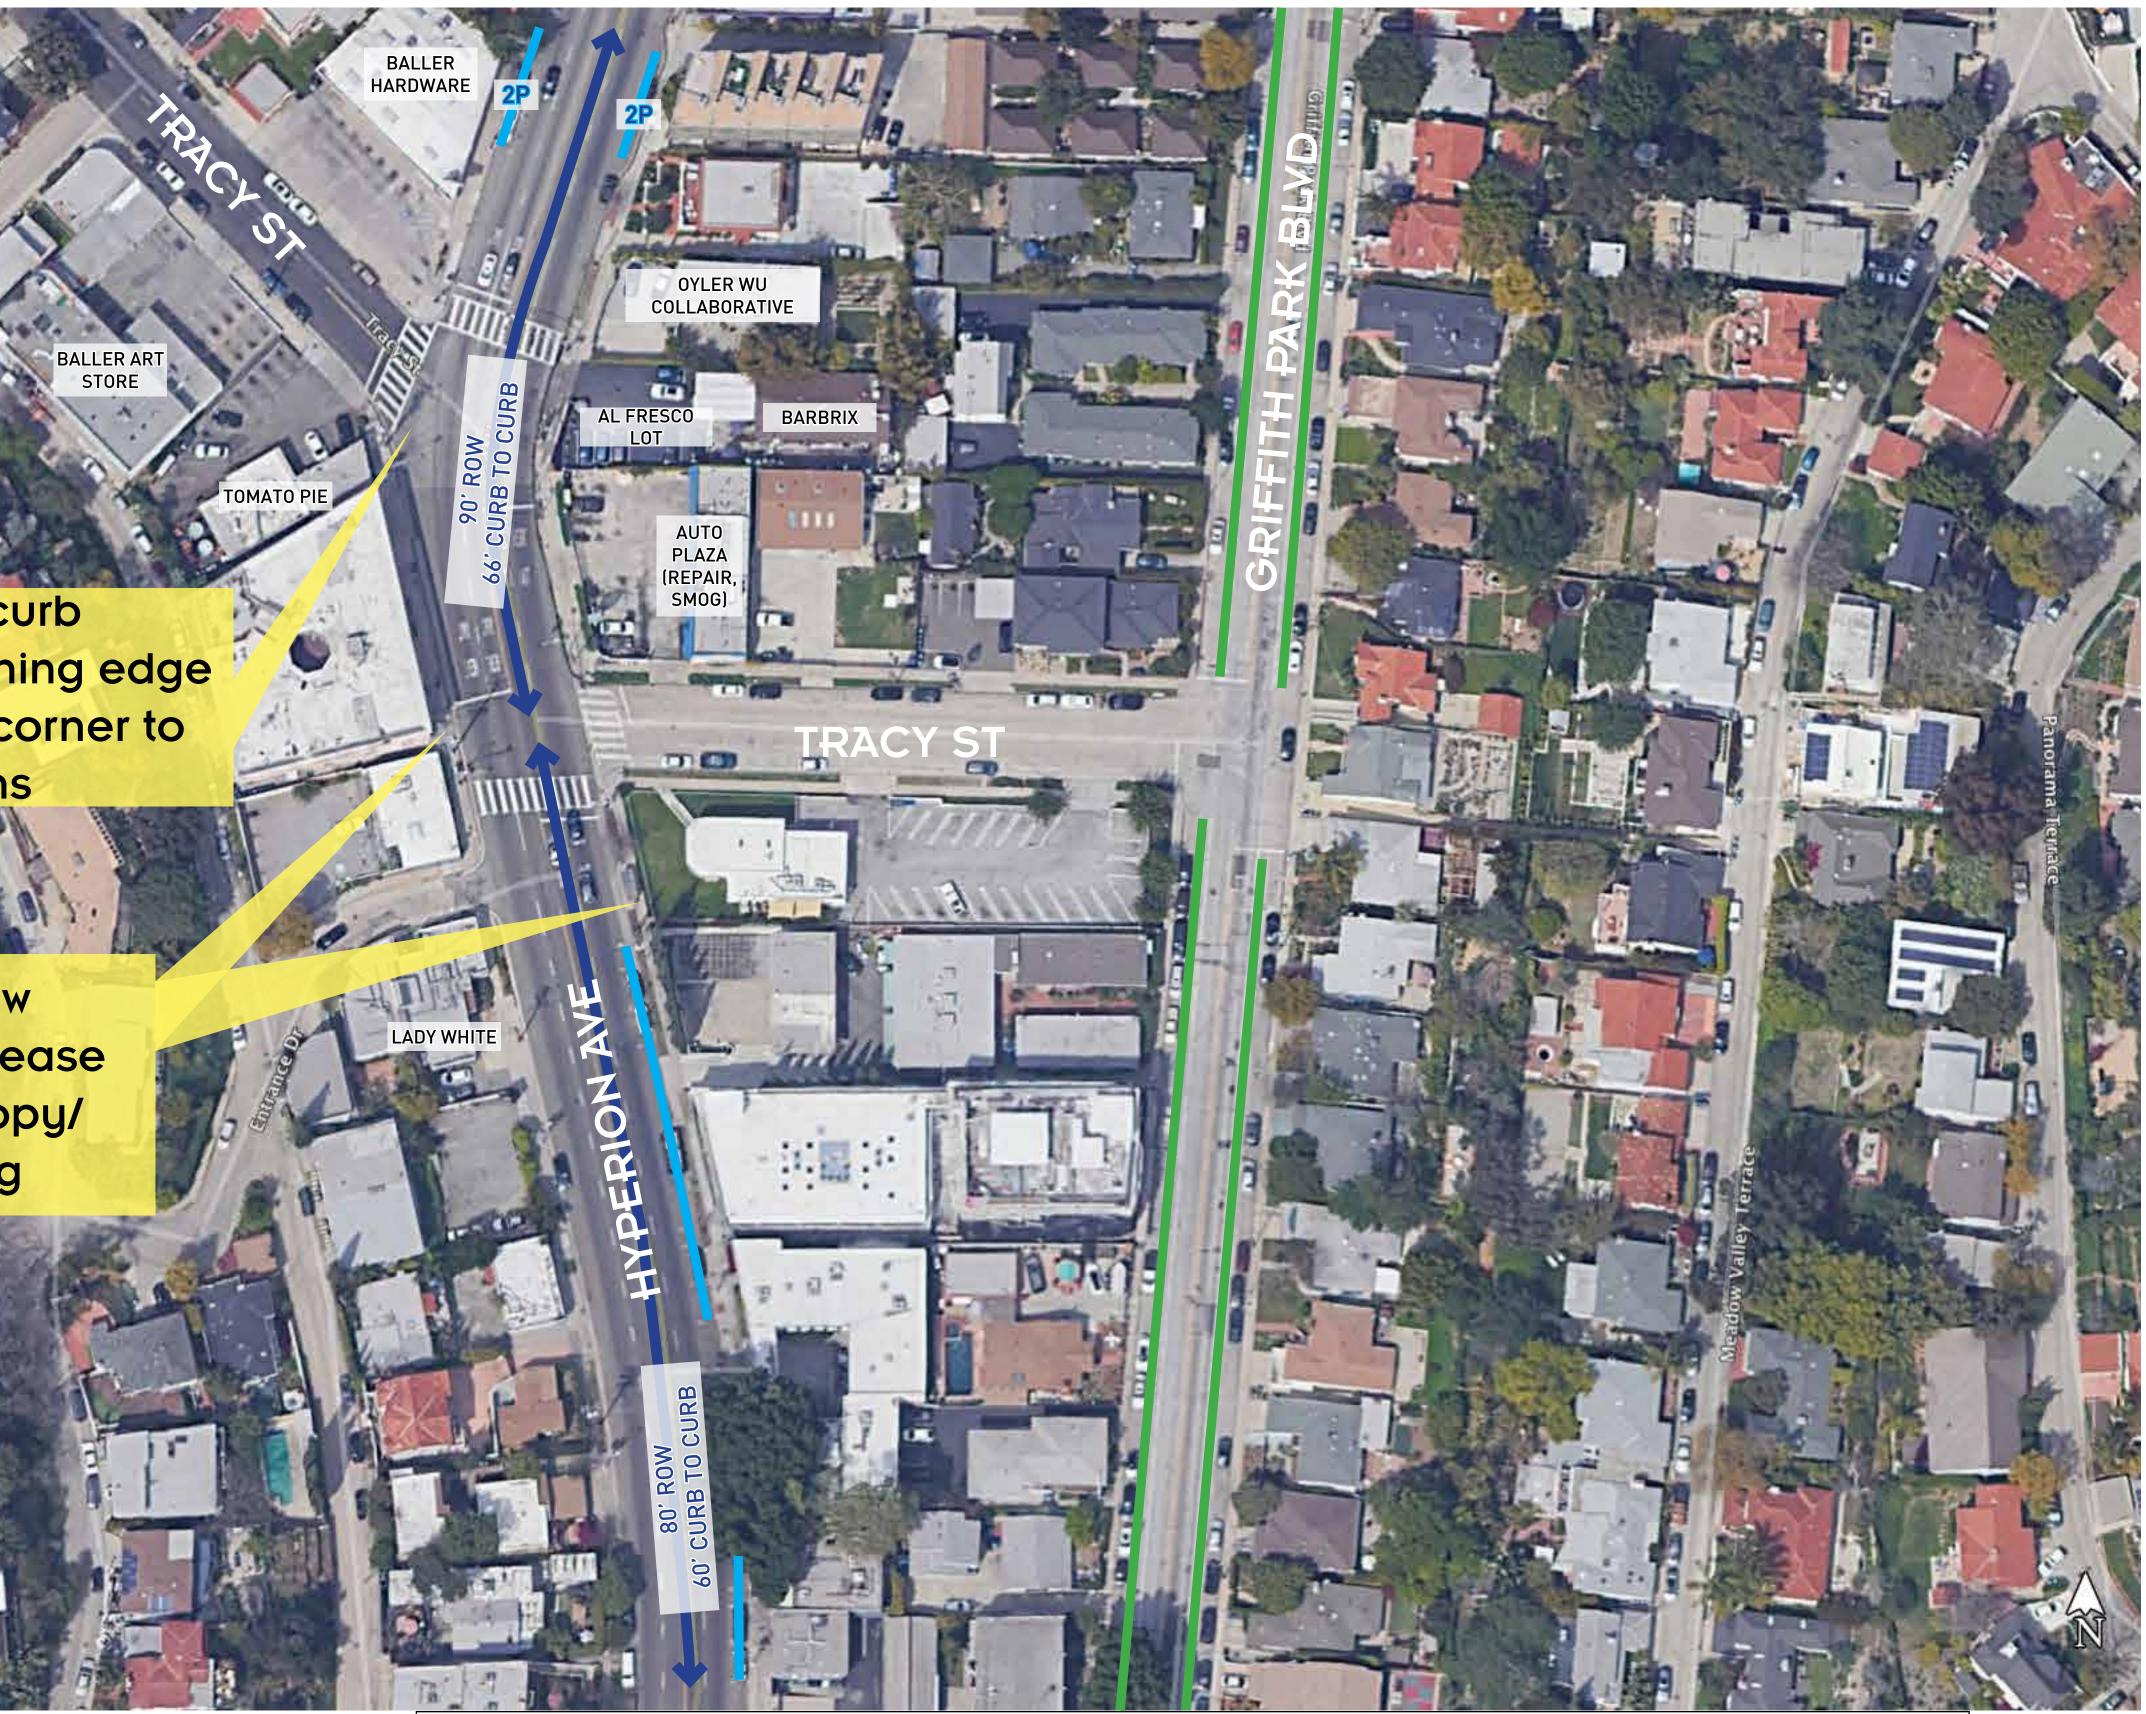

> Potential sidewalk extension Existing curbside parking Yellow curb Red curb

opportunity for curb extension, matching edge striping around corner to reduce wide turns

opportunity for new street trees to increase urban shade canopy/ encourage walking

ISSUES & OPPORTUNITIES Hyperion Street Safety Coalition

Retired bus stop/line

Entrance

ADA curb cut Priority ADA hazard **Priority intersection**

Potential sidewalk extension Existing curbside parking Yellow curb Red curb

Existing bike lane

ISSUES & OPPORTUNITIES Hyperion Street Safety Coalition

LEGEND

Retired bus stop/line

Entrance

ADA curb cut

Priority intersection

Priority ADA hazard

high vehicular speeds with no crosswalks for 1/3-mile // 🛕 opportunity for new signal with crosswalk at Scotland // can accommodate driveway conflicts from new apartment building // potential to connect Silver Lake and Los Feliz stair street passages

Potential sidewalk extension Existing curbside parking Yellow curb Red curb

ISSUES & OPPORTUNITIES Hyperion Street Safety Coalition

Entrance Retired bus stop/line

ADA curb cut

Priority intersection

Priority ADA hazard

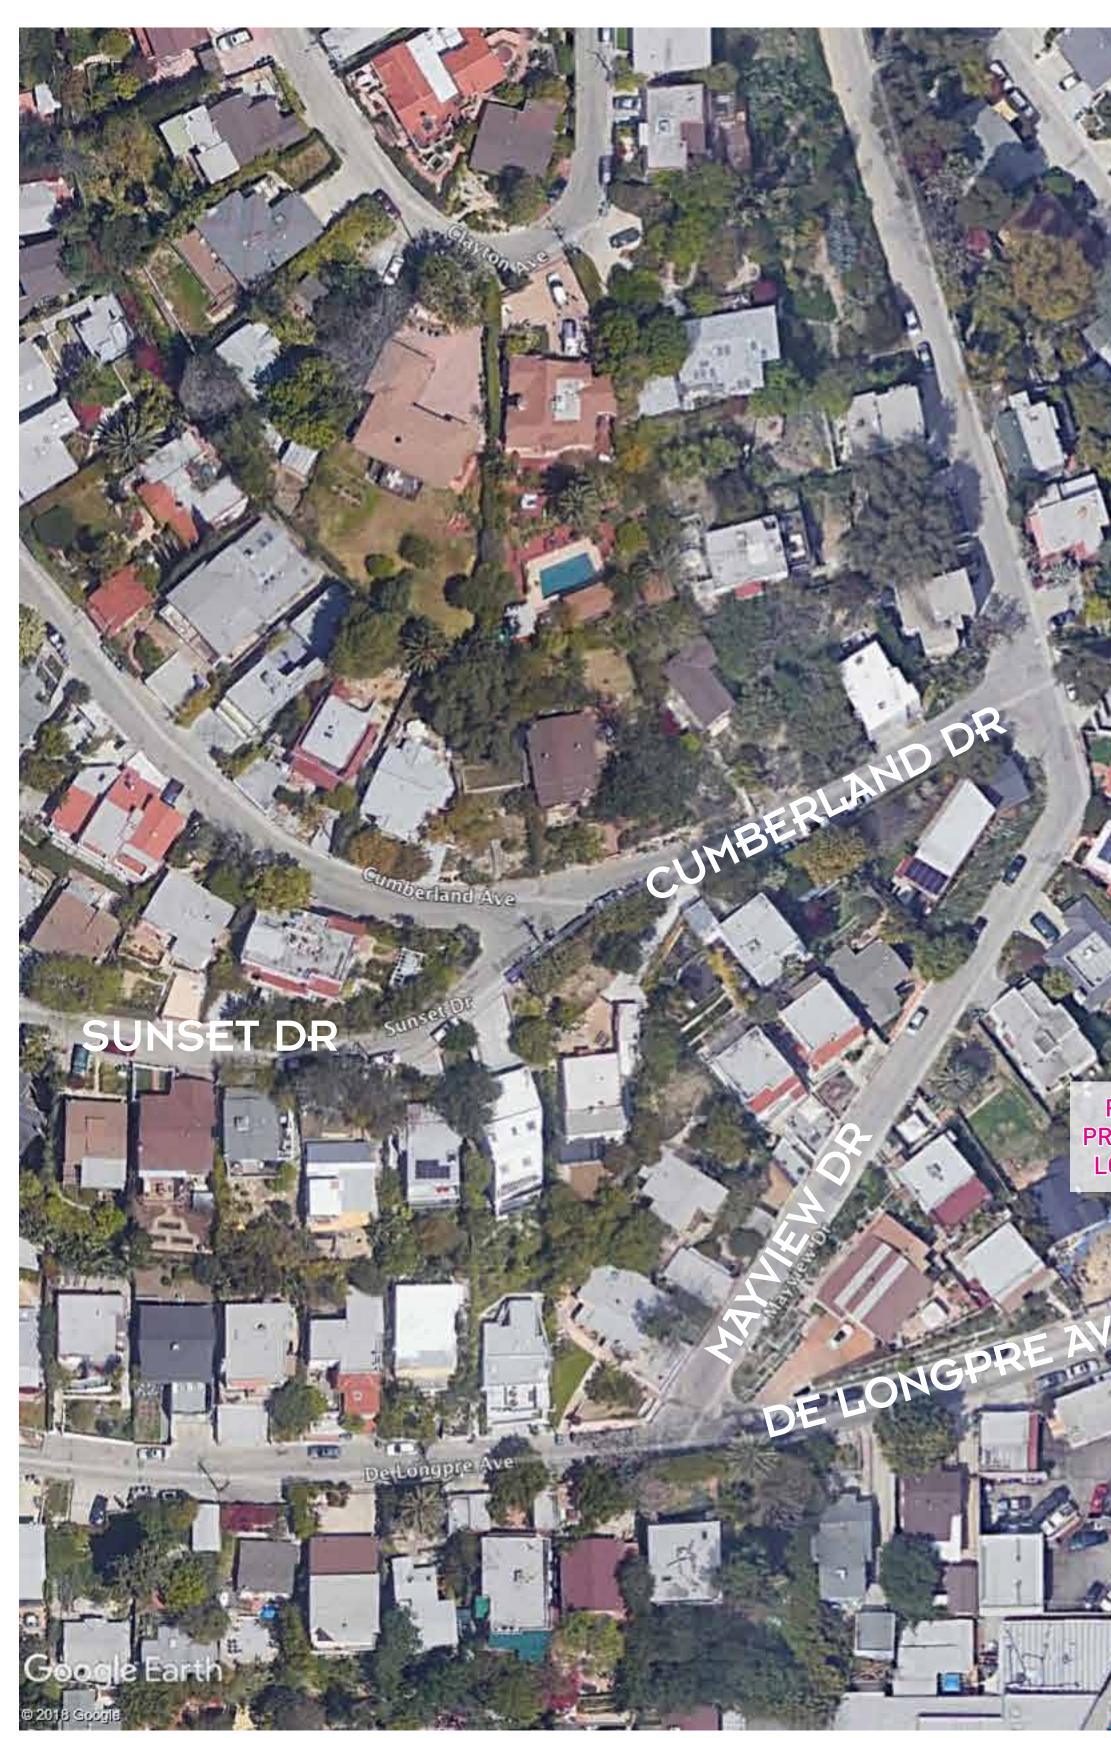

high speeds build up on downhill curvature in southbound direction // jaywalking issue since no crosswalks or signals in this 1/3-mile segment

Potential sidewalk extension
Existing curbside parking
Yellow curb
Red curb

Existing bike lane Priority Intersection N (T) 1.24.22

Hyperion/Fountain - Panel 6

ISSUES & OPPORTUNITIES Hyperion Street Safety Coalition

jaywalking issue since no crosswalks or signals in this 1/4mile segment

CASITA DEL CAMPO

compound curve with unsafe vehicular speeds

dangerous , intersection // opportunity for new signal and crosswalks

LEGEND

Retired bus stop/line

Entrance

ADA curb cut

Priority ADA hazard

Priority intersection

opportunity for shade trees to increase urban shade canopy and encourage walking

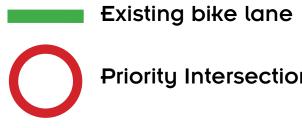

downhill slope in southbound direction approaching low visibility curve

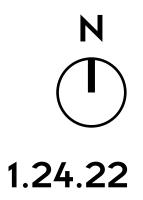

S BERN AL

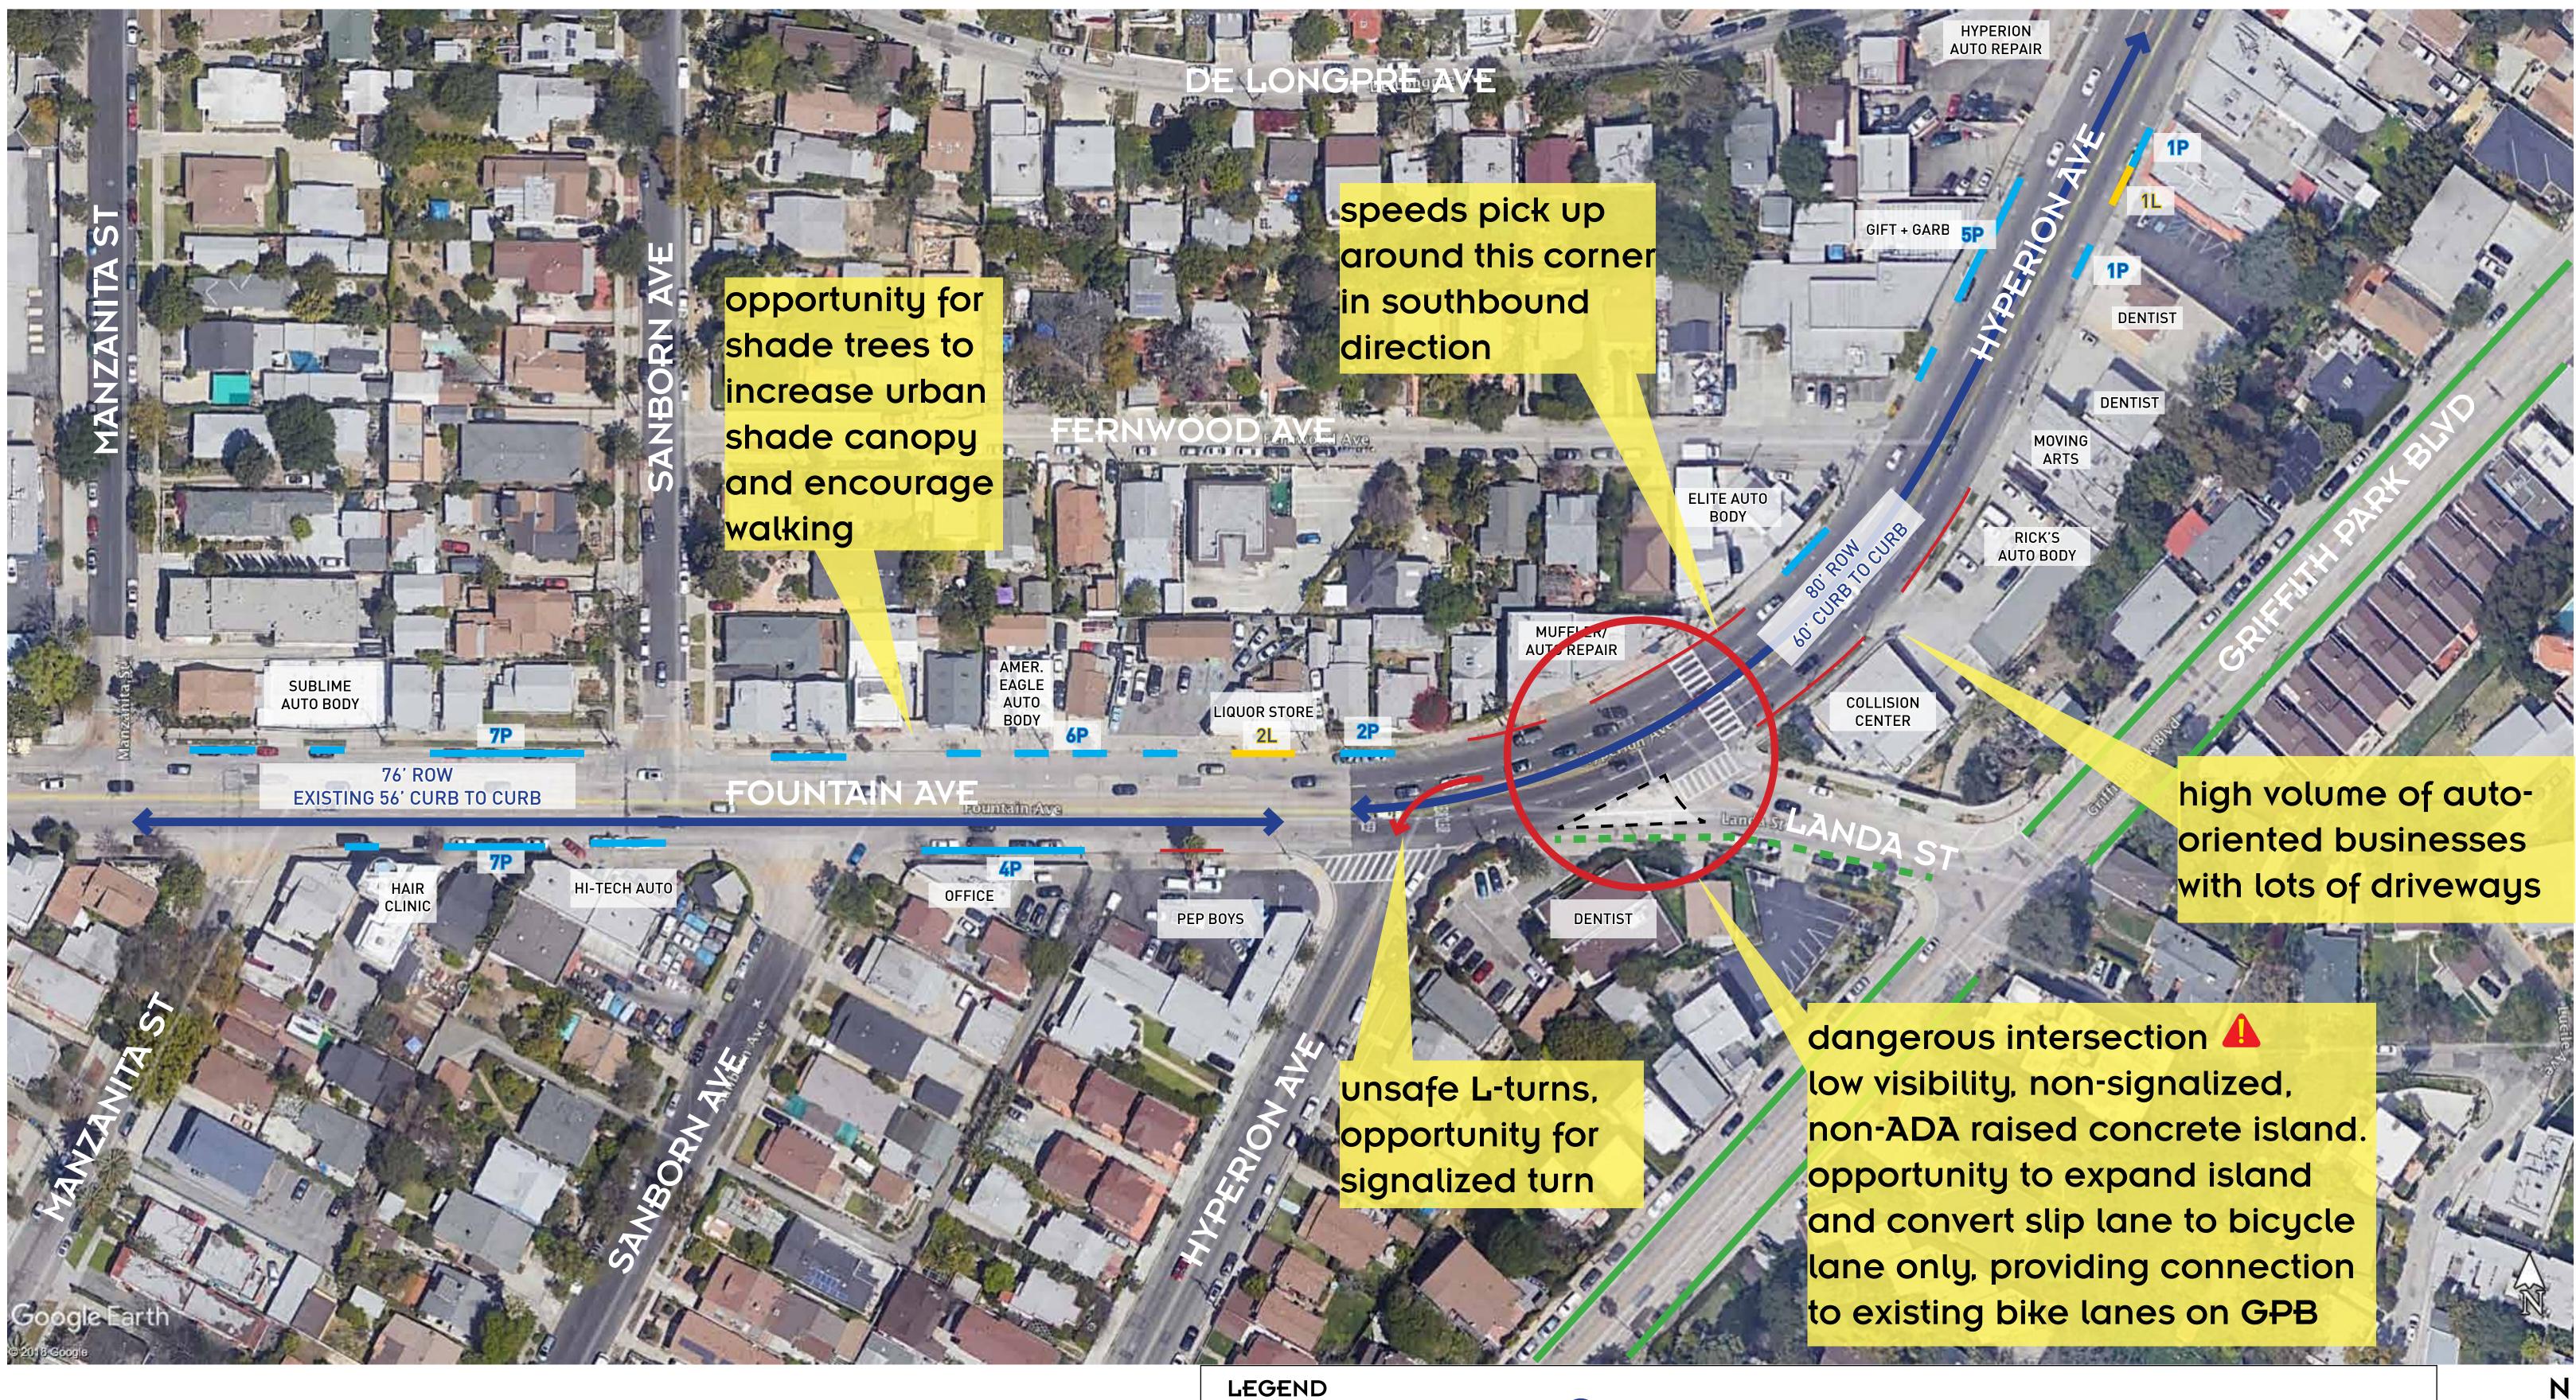

issues with sidewalks on GPB (alt walkway): non-ADA at all driveway ramps and corners many areas are uplifted by tree roots narrow at 5' or

less and cannot accommodate strollers

otential sidewalk extension Existing curbside parking Yellow curb Red curb

ISSUES & OPPORTUNITIES Hyperion Street Safety Coalition

Retired bus stop/line

Entrance

ADA curb cut

Priority ADA hazard

Priority intersection

Potential sidewalk extension Existing curbside parking Yellow curb Red curb

ISSUES & OPPORTUNITIES Hyperion Street Safety Coalition

ADA school entrance - not aligned with a crosswalk

potential curb extension

FOUNTAIN AVE

MACK SENNET STUDIOS

HEALTH CARF

opportunity for new high visibility crosswalk with ADA curb cuts to align with ADA school entry; would require flashing beacon at minimum

Retired bus stop/line

Entrance

ADA curb cut

Priority ADA hazard

Priority intersection

opportunity to relocate bus drop-off and widen sidewalk to accommodate side by side walking/jogging (sidewalk used as jog course for students), could also provide space for tree planting

Thos. Starr King M.S.

76' ROW **EXISTING 56' CURB TO CURB**

part-time scramble crossing / only two ADA curb ramps connecting to school

5 SPEE

potential curb
